

Remembering Rock...

Finally brothers, pray for us that the Word of God may speed ahead and be honored...2 Thess 3:1

Dear Friends, **April 2011 Prayer Update for Rock Mountain Bible Camp**

"I count everything as loss because of the surpassing worth of knowing Christ Jesus my Lord. For his sake I have suffered the loss of all things and count them as rubbish in order that I may gain Christ and be found in him." These words from Philippians 3 kicked off, and were a central focus of our THAW Teen Advance here at RMBC this past month. Students had the opportunity to reflect on this truth, as well as principles of putting on the armor of God during times of worship and teaching throughout the weekend.

In addition highlights of the weekend included the zipline, gaga ball tournaments, Rock Mountain LIVE talent show, and time spent building relationships with teens that attended. While some of these themes and activities were unique to the THAW retreat, the proclamation of God's Truth to students that spent time at RMBC this past month was not. As the winter retreat season comes to a close for 2011, we are grateful and praising God for the work He has done in the past three months. Please thank God with us for the past three months and pray with us as we transition into the tasks of the spring season, looking ahead to the upcoming summer months.

Praises and Prayer Requests...

- Praise God for a wonderful three months of ministry throughout our winter retreat season.
- Praise God that the Family Campground Cottage renovations are mostly completed.
- Praise God for a great weekend @ our THAW Junior High/High School Retreat.
- Pray for wisdom and discernment as we finalize summer staffing roles, and that all our staffing needs would be met.
- Continue to pray that we might find a new camp van, to replace the one we are currently using.
- Pray for all of the summer preparations which need to be completed in the next month, including Family Campground clean-up, various facility spruce-ups, summer planning meetings, summer youth camp distributions, and many other projects; that things would run smoothly so we might be prepared to serve well this summer.
