Finally brothers, pray for us that the Word of God may speed ahead and be honored...2 Thess. 3:1

March 2011 Prayer Update for Rock Mountain Bible Camp

Dear Friends,

Thank you for praying with us this past month. It is always a blessing to have the opportunity to see God answer the prayers of youth group leaders, students, and staff for February's retreats. One youth pastor spoke excitedly of a student who wrestled with God's Word as it was presented all weekend long. She left RMBC without making any decisions—but on the bus ride home surrendered her life to Jesus Christ. Retreats at Rock Mountain create a unique opportunity for students to be encouraged in their faith, in relationships with fellow believers and, for some, it will be the place where God calls them to begin a life-long journey of following Him. Thank you for praying with us that God would continue His work in the lives of students and leaders as they attend a retreat at Rock Mountain.

- Praise God for another full month of safe winter retreats.
- Praise God with us for the testimony's of lives changed by God while at camp, like the one above. Another youth pastor had the opportunity to baptize 4 of his students after time spent on a retreat @ Rock Mountain
- Praise God that our weekly staffing needs have been provided, and pray for the encouragement and spiritual growth of our high school and college aged staff.
- Pray for strength and energy for our staff during the final month of the winter retreat season.
- Returning staff letters have been sent out—pray for our staff as they decide whether to return for another summer, for new staff who are considering serving with us, and that our summer staffing needs would be met.
- Pray for the upcoming THAW Jr High/High School Retreat (March 25-27), for a profitable and edifying time for the students who attend.
- Continue to pray for a van to be provided for off-site travel and to replace the van we currently have.
- Renovations on our Family Campground Cottage are going to begin soon, pray that all goes smoothly as we anticipate the coming camping season.
