

Remembering Rock...

Finally brothers, pray for us that the Word of God may speed ahead and be honored...2 Thess 3:1
July 2011 Prayer Update for Rock Mountain Bible Camp

Splashing in the pool. The shouts of kids playing at the gaga pit. Weed-whackers buzzing. The bass drum throbbing as the worship team practices for the evening session. These are the sounds of summer at Rock Mountain Bible Camp. The Summer season is in full swing, and it is exciting to HEAR ministry all around. The splashing in the pool, and shouts at the gaga pit mean that students and leaders are having FUN together and building essential relationships; the buzz of the weed whackers means our service staff are hard at work and having the opportunity to serve God by cleaning up the camp; the bass drum shows the hours of work put into preparing for time spent worshipping God in song, followed by the teaching of God's Word. We appreciate you joining with us in prayer this month, for a "loud" summer of ministry!

Pray with us for:

- The Jr Camp, Teen Camp, and Path programs which will take place in the next month. Pray with us that God's truth will be communicated clearly and for a wonderful time spent building relationships with the students that attend.
- The groups who will continue to come in the next month: kids camps from Philadelphia, New York, New Jersey and various other locations!
- That our service this summer could be described as Paul described the Thessalonians. As a, "work of faith and labor of love and steadfastness of hope in our Lord Jesus Christ."

Praise God with us for:

- A successful three weeks of Staff Training. God has blessed us with a wonderful staff of Team Leaders, Service Staff, Program Specialists and Leadership Staff. The past three weeks were a great opportunity to encourage, and get to know them as we kicked off the summer!
- A GREAT start to the Summer Season. Staff are serving well and things are running smoothly.
- The students whose lives have already been impacted by the truth of the Gospel while here at camp. One youth leader writes "To say that God moved in these student's lives during this week [at camp] is an incredible understatement...kids felt safe in your auditorium to share what was in their hearts and souls. These students were somewhat awkwardly but very sincerely acting as the church toward each other. God spoke to and challenged these kids. For one week God's love began to become tangible for students." Praise God for testimony's such as these!
