May 2011 Prayer Update for Rock Mountain Bible Camp

Happy Spring!

While it feels like it's taken quite awhile to get here, the skies have finally cleared and Spring has begun at RMBC. Our weekends are not as frequently filled with guests coming to camp, however the days are busy as we prepare for the summer season. Walls are being painted, floors waxed, staff schedules finalized, lawn mowers tuned-up and summer planning meetings begun. It is exciting to have the opportunity to complete several projects around the camp, and begin to look forward to the months of ministry ahead.

In the midst of all of these preparations we also had the opportunity to have our annual Staff Advance this past month. This retreat invites all past, present and future staff to come to RMBC and enjoy camp together. We spent time being encouraged by the Word of God and participated in some crazy activities such as cosmic gaga ball, paintballing and the 8th annual Staff Olympics. It was a great retreat spent deepening relationships with our seasonal staff and getting to meet some of new staff who will be serving with us this summer!

We are looking forward to all God will do in the next month, as we open up the family campground, serve two guest groups in the main camp facility and continue summer preparations. Thank you for partnering with us through your prayers during this next month!

PRAISES AND PRAYER REQUESTS

- Thank God with us that He provided a "new" camp van to provide reliable transportation for off-camp travel.
- Praise God for a GREAT staff advance and the opportunity to deepen relationships with our seasonal staff.
- Praise God that most of our summer staffing needs have been met, please pray with us for several positions which still need to be filled.
- Thank God for several volunteer groups who have come, or will be coming up to camp to help with various projects.
- Pray with us for the many projects and plans that need to be finalized in the next month.
- Pray for this month's JOSHUA TREK father/son backpacking trip, for safety on the trails and a great weekend.
