

Rock Mountain Bible Camp

A Summer Staff Support Opportunity

We are excited that you will be serving the God by serving people at Rock Mountain this summer.

Hebrews 10:24 says, "...spur one another on toward love and good deeds."

The purpose of SPUR is to "spur you on" as you minister this summer.

By participating, you will:

- *Tell at least 10 people about your ministry to campers & guests at RMBC this summer.*
- *Ask them to support you in prayer.*
- *Invite them to give financially to the SPUR fund, from which you will receive a "bonus" in October.*
- *Communicate with your support team.*

Participation in SPUR is totally voluntary. Participation will take effort on your part, but you will develop a support team of prayer partners & receive a monetary "bonus" by participating. So, why not participate?!

The SPUR fund will be made up of all the money contributed and in October will be divided among all participants. Your portion will be based on the total amount in the fund not on how much your partners gave. The funds will be distributed based on your role, the number of weeks you worked, and any direct program costs.

You should begin to contact people immediately and you can continue to contact potential partners while you are at camp! Financial contributions may be made from now until July 31st. So, get started!

1) First Things First

- Pray - ask God for wisdom as you select people to talk with.
- Create - a list of 10 or more adults you intend to contact. Married couples count as one. Make sure you talk to your church. They will want to be aware of your summer ministry.

2) Describe

- During a face to face conversation, a phone conversation, or by mail describe the ministry role you will be performing at RMBC this summer. Share with them the reasons you will be serving and things you hope God will teach you this summer.
- Describe the SPUR program by giving them a copy of Mr. Robb's letter (in this packet).

3) Ask & Invite

- Ask them to regularly pray for you this summer.
- Invite them to contribute financially to the SPUR Summer Staff Support Fund.

4) Enroll

- Submit your Contact List to Mr. G in order to enroll in SPUR (in this packet).

5) Communicate

- Follow up with your support team throughout the summer by recounting your experiences and thanking them for their support via mail, email, phone, or blog.

If you have any questions, contact Reid.
