TEAM Initiative Course + Zipline

The TEAM Initiative Course is a challenge/ropes course of over 18 team-oriented games and problem solving activities that encourage, enable, and equip the team to succeed.

The Zipline is a high ropes activity where participants climb 30' to a platform, take a leap of faith for a 425' flight thru the woods, and then softly land on the ground!

► rockmountainbiblecamp.org/TEAM

**All day groups & family campground groups must complete informed consent form for all participants (get printable consent forms online).*

TEAM Challenge

TEAM Challenge is a series of team-building activities for small or large groups (5-150 people) in any indoor or outdoor location. We use numerous group games, team-building activities, discussion starters/ice-breakers, and/or multi-level challenges to create a unique experience for your group in any setting you choose!

Don't just take it from us...
Here's what our groups are saying:

Why does your group use Rock Mountain TEAM Adventures?

"...Not only does it remind our group about our mission to better ourselves and our community, but it also brings about a sense of unity and family when we work together to accomplish each task!"

–Malik Dye, Treasurer of the Martin Luther King Scholarship Association, Seton Hall University

"...Accomplishing a task and working together towards a common goal, while recognizing each person's contribution, is essential to an excellent functioning team!"

–Alisha Finn, Children's Ministry Coordinator, First Presbyterian Church

"...We needed to discover our next student leaders for our youth group, and in about three hours we were able to do just that."

–Darren Maslin, Associate Pastor of Youth, First Baptist Church
